### **TODAY'S SPEAKER**

Following the break, **JOHN TONER** introduced the speaker of the day, **Peter Tesei**, Greenwich First Selectman. Peter is a fifth-generation Greenwich resident and is now serving his sixth term as First Selectman.

He emphasized the fact that Greenwich is a great community in which to live, work and raise a family. The community is composed of a variety of neighborhoods with unique schools, firehouses, churches and landmarks. It provides a diverse combination of villages, beaches, downtown areas and rural settings.

Peter spoke at length about the plan for improvements at the Roger Sherman Baldwin Park at Greenwich Harbor. He summarized two key elements of this improvement plan. 1.) The relocation of the existing Maintenance Facility to improve and expand the Park. 2.) The dredging of the Greenwich Harbor to possibly expand the Park to make the Park and the town of Greenwich a destination that is accessible by water.

He also discussed improvement plans for Havemeyer Park. The Park is under the care and control of the Board of Education; however, Peter is hopeful that cooperation between the town and the BOE can lead to improvements that will include a Performing Arts Center and other recreational improvements.

Peter also announced his recent decision to team with New Britain Mayor Erin Stewart as Republican running mates for governor and lieutenant governor in the upcoming election.
