Volume 62, No. 12

July 23, 2014

"If the government takes into its hands that which the man ought to do for himself, it will inflict upon him greater mischiefs than all the benefits he will have received." Gladstone

President BOB PHILLIPS rang his bell precisely at the stroke of 10am. STEVE MARINO led the Pledge of Allegiance to Old Glory. With GEORGE UBOGY at the Steinway accompanying, song leader JERRY SCHWENDEMAN waved his arms as we sang "Happy Birthday" to mark the anniversary of our nation's independence; "Praise the Lord and Pass the Ammunition"; and "For He's a Jolly Good Fellow" to salute CHUCK STANDARD's recent honor presented to him at Met Stadium before an appreciative ballpark crowd. TOM HEALY was jokester of the day, with a few stories set on a golf course. BOB PHILLIPS spoke of the "generations of positive values" that have been displayed over the 50 years of RMA's history.
