***"There is one thing better than good government, and that is government in which all the people have a part." (Walter Hines Page --- 1855-1918)***

***Your scribe overheard the following leaving this morning's meeting: "Comparing Governors Rell, Roland and Malloy, which of the three do you think ate fewer pizzas, had less traffic accidents and signed more bills while in office?" (Interestingly, the other person in this conversation said "Malloy" even though they then acknowledged they really did not know. (Uhry -12/2/15)***

On a wet morning, President **RALPH VIGGIANO** opened the meeting at 10:03am. **DON CONWAY** led the pledge and **JERRY SCHWENDEMAN**, aided by **PETER RYAN** on the key board, had us sing *The Star Spangled Banner, Battle Hymn of the Republic and You Made Me Love You*. Putting on a different hat, **JERRY SCHWENDEMAN** reminded us of the power of women in our lives....saying that, faced with a high cost to replace a severed piece of anatomy at a hospital, a family decision was made instead to replace the granite kitchen counters. **STEVE BOIES AND DICK CASE**, doing their treasurer's work, smiled warmly but continued to count their bundles of loose dollar bills.

**TWO CANDIDATES:** First **BOB PHILLIPS** and **GERRY GIBIAN** spoke in support of candidate Mike Ferrarese who was raised in Yonkers and worked in real estate. He is an active traveler, has close connections with Greenwich and came to the attention of **BOB PHILLIPS** when he volunteered at Meals on Wheels. He is married and currently lives in Stamford.

Jack Galvin was sponsored by **JOE COLEMAN** and **DAVE McKEE**. Jack was born in Yonkers and graduated from Columbia. His career was centered on commercial insurance work and as a partner in Masters Insurance Co, Ltd. A golfer, with a wife and three children, he lives in Greenwich.

**TODAY'S PROGRAM:** **BOB WYLIE** did a prolonged introduction of our well-known Governor Dannel Malloy who was late arriving but quickly captured the attention of the overflow crowd of 211 (some say 289) members and guest with his wit and pragmatic presentation focusing on Transportation, Pensions and the Second Chance Society. We all learned that Governor Malloy believes his administration is doing a better job than either former Governors Roland and Rell. Facts, figures and a significant understanding of this man's thinking came across in his 30 minutes of remarks. Governor Malloy then answered questions from the floor mainly focused on transportation issues. (With coverage from WGCH, local newspapers and our own recording efforts, there should be plenty of opportunity to revisit the details).

**Peter Uhry**, Humble Scribe of the CBB
