VOLUME 68 NUMBER 11 SEPTEMBER 23, 2020

SCRIBE: ED FARRELL

"Fight for the things that you care about but do it in a way that will lead others to join you."

Ruth Bader Ginsburg

Following a rendition of the RMA anthem (never on the charts, but #1 in our hearts), President **RUSS HARDEN** opened the meeting at 10:00 AM and called on **ED FARRELL** to lead us in the pledge.

ARNOLD GORDON reported some very sad news that Nina Cocchi, wife of member **TONY COCCHI**, passed away at the age of 77 on Saturday, September 20, 2020. An obituary can be found here: <https://www.coxeandgraziano.com/obituaries/Nina-Cocchi-?obId=18400837>. Nina's family will receive relatives and friends, and online condolences, at Coxe and Graziano Funeral Home (www.coxeandgraziano.com), 134 Hamilton Avenue, Greenwich, CT, on Thursday, September 24th from 4 pm to 8 pm. The Funeral Mass will be held Friday, September 25th at 11 am at St. Catherine of Sienna Church in Riverside (www.stc-sta.org). All attendees are asked to wear masks as per CT Department of Health guidelines. There will be a remote broadcast for those unable to attend in person.

ARNOLD advised us all not to let our Corona Guard down as fall and winter arrive along with the flu season. Some helpful information and advice can be found in this article, *How We Survive the Winter:* <https://www.theatlantic.com/health/archive/2020/09/how-america-can-survive-the-winter/616401/>

ARNOLD also advised members can easily check whether you are registered to vote and under what if any party affiliation by going to a site by the League of Women Voters: <https://www.vote411.org/check-registration>.

On a lighter note **ARNOLD** showed a series of humorous signs posted by the town of Indian Hill, CO. He followed with a tale of a confused wife describing her husband's surgery – suggesting the surgery was done on his scrotum when it was done on his sternum.

Memorial: **HORST TEBBE** offered a warm remembrance of Dana Low, a former RMA member, who passed away on August 27. Please see attached.

Most of his career has been spent in various roles in real estate finance, but most recently he has been working for himself raising debt and equity capital for a national commercial real estate development company in Atlanta, GA. **BART** and his family have been Greenwich residents for 26 years currently residing in Cos Cob.

Treasurer: **JEFF JUNKER** reported that I have received 2 additional dues checks this past week bringing us up to 214 paid; 211 long term members and 3 new inductees. Along with **MICHAEL AMBROSINO**, **JEFF** continues to make an effort to reach out to the 13 members who have not paid their annual dues: both by email and by telephone.

JEFF also reported that we had recovered \$1,450 in bus deposits from County Coach for special events that we had to cancel owing to the pandemic.

Human Interest: **PETER UHRY** described how, since the early 1970s, Greenwich Audubon volunteers, and now a paid person, count the number of raptor/ birds (hawks, eagles and falcons) that cross Quaker Ridge in Greenwich during the period between September and November. TAD LARRABEE reported by the time you read this, RMA walkers will have completed the second of a 2-walk set; last week we walked part way across the Mario Cuomo Bridge and this Thursday we will have walked along the Hudson River and explored the Sleepy Hollow Lighthouse.

Soon we will be exploring areas for their fall color if we get much this year.

Today's Speaker: **BOB RIMMER** introduced Greenwich Library director, Barbara Ormerod-Glynn, who, along with project team leaders Michael Tribe, Tom Heagney and Hank Ashforth provided a comprehensive review of the objectives and status of the ongoing

renovation of the main library. Ms. Ormerod-Glynn offered an overview of how the library will address the changing needs of the community through the re-structuring of the library's three floors to accommodate more group activities through additional meeting facilities, an expanded second floor arts and music space, as well as a newly structured third floor children's space. She also noted that a new café will have indoor and outdoor service and will be managed by a local not-for-profit organization. Mr. Tribe, principal project architect, said the library's new design will express a one building sense where the various sections of the building will be joined by a "colonnaded main street." He also noted that a major feature of the new library will be courtyard access to the new indoor/outdoor café and an expanded Cole Auditorium. Mr. Heagney noted that funding for this renovation is being provided by private, town, state, and federal resources. He and Ms. Ormerod indicated that the newly renovated library will attract 1800-2000 visitors per day – an increase over pre-Covid-19 visits. Mr. Ashforth noted that a key objective during renovation and especially since the outbreak of Covid-19 has been to keep the library open. The project team has been able to accomplish that objective even though syncing labor availability and materials delivery has been challenging. In concluding an informative presentation, Ms. Ormerod-Glynn announced a grand re-opening on the renovated library is schedule for January 28 through February 4, 2021. Save the date.
