

**RETIRED MEN'S ASSOCIATION OF GREENWICH, Inc. (RMA)  
Invites you to attend its January 4, 2012 Meeting at the  
First Presbyterian Church, Lafayette Pl., Greenwich.**

***Drew Marzullo, Greenwich Selectman  
And GEMS Supervisor***

***A "Normal" Day in My Life***

Drew is a third-generation Greenwich resident who was raised in Chickahominy and attended Greenwich Public Schools. He graduated from Greenwich High School in 1989 and received his State of Connecticut paramedic license in 1996.

Drew has been employed at Greenwich Emergency Medical Services for the past 19 years and was promoted to Field Supervisor in 2007. He is the recipient of numerous awards for service, including the Medical Director's Award and Career Service Person of the Year. Most recently, Drew received the Chamber of Commerce Award for Outstanding Emergency Service.

Drew was elected to the Representative Town Meeting in 2005 and served two terms, each time serving on the Town Services Committee. He was elected Selectman in 2009 and 2011, and is proud to have been involved in many Town achievements, to include procuring funding for Byram flooding, addressing public safety issues, supporting the MISA project and the Nathaniel Witherell rehabilitation, and solving quality-of-life issues brought to him by Greenwich residents, employees and businesses. In his Welcome message he stated:

In addition to serving as your Selectman, I also continue to serve the town as a paramedic for Greenwich Emergency Medical Service. In this role, I have the privilege of meeting residents from all walks of life and from all corners of town, which allows me a unique perspective on issues such as community health, housing, traffic, public safety, and emergency response.

As Selectman, I have translated this knowledge into progress. From Town Hall safety drills to the new Tod's Point Emergency Radio Sign-Out program, I have used my voice as Selectman to make the town safer. If re-elected, [which he was] I will continue on this path by providing first-hand knowledge of public safety and emergency response, supplemented by statistics and data-driven approaches.

We have a system of government that relies on volunteers, and I have both utilized and relied on many qualified people for their advice.

Drew currently resides with his family in Cos Cob.
