EVERYBODY'S WATCHING

The Making of the Constitution

A graduate of Phillips Exeter Academy, Granville Burgess majored in History at Princeton University, graduating *magna cum laude*. Mr. Burgess writes the book and lyrics for Quill's *Mr. History Musicals*.

The mission of Quill Entertainment Co. is to create and produce original programming for stage, television, and interactive media, using history to entertain and **educate young people** about the core beliefs and foundational principles of America - how these values developed in the past, how they affect us today, and how we must carry them forward into the future.

To date, Quill has performed for over 40,000 students, teachers, and families throughout the Pennsylvania, New York, and Connecticut area. Besides ***Everybody's Watching***, its musicals dramatize the stories of Harriet Tubman, Martin Luther King, Jr., Lewis and Clark, and Paul Revere, and it will add musicals about the Battle of Gettysburg and Abraham Lincoln to its repertoire in commemoration of the 150th Anniversary of the Civil War. Quill's unique combination of story and song brings history alive in compelling and memorable ways.

Teaching America's Heritage Through Story and Song

"If any method of teaching can bring assured success, this sort of musical theater is it!"
