

# Taste the Bounty of Dutchess County

## Maple Syrup, Farm to Table Lunch, Wines, Bourbons, Ryes

Start by visiting CROWN MAPLE at MADAVA FARMS. This is nothing like the sugar shacks you remember from childhood. State of the art equipment and processes produce top notch maple syrup and products in Dutchess County. Our guided tour will include a sweet tasting of their premium syrups. Enjoy a delicious luncheon at their Farm to Table Restaurant.

Next head over to MILLBROOK VINEYARD & WINERY. Considered one of the top wineries in the NY and Hudson Valleys first vinifera vineyard, the tour at Millbrook offers an enriching, multi sensory experience, while you take in the picturesque estate framed by the magnificent Catskill Mountain vista.

Last but not least we will head over to TACONIC DISTILLERY . Voted the BEST BOURBON in 2014 by Westchester Magazine, the distillery was officially completed in August of 2016 and an amazing team of bourbon lovers are running the show. Taconic Distillery's dedicated to high-quality, farm-to-bottle products that support the local economy. We will enjoy Bourbon and Rye tastings either in the tasting room or outside relaxing by the firepit, taking in the beauty of the hilly landscape.

Guaranteed to be a fun day!
