"It follows then as certain as that night succeeds day, that without a decisive Naval force we can do nothing definitive. And with it, everything honorable and glorious." (George Washington in a letter to Lafayette - November 15, 1781)

Naval veteran RALPH VIGGIANO drew us to attention for the pledge to the flag, led this morning by HENRY BAKER. Song leader, JERRY SCHWENDEMAN projected the words for *The Star Spangled Banner, Zip-A-Dee-Doo-Dah and the RMA Marching Song* (written by member BOB MORGAN). A noticeable improvement in the volume of the singing was observed as everyone was forced to look up at the wall to see the projected verses. JIM SANTORA, on the piano simply played louder. Over in the corner the scribe noted our keeper of funds, STEVE BOIES and his able associate treasurer, DICK CASE were in attendance.

President RALPH gave shout outs: 1) Get a RMA parking pass or get a \$75 parking ticket. 2) Health Fair at Eastern Civic Center in OG is on OCT 1. Contact DON CONWAY or RALPH VIGGIANO to volunteer. (2 men needed). 3) DON CONWAY is leading our team on October 4 for a 3 mile, 3 hour walk in Norwalk in support of Alzheimer's disease. 4) For RMA publicity purposes, if you are interviewed by the local media, and it is appropriate, mention your affiliation with RMA. 5) RMA needs a person to become a media contact. If interested in this important assignment, contact RALPH. 6) If you become aware of the death of a member, please contact an officer so that we can inform the entire membership. Regretfully, we have lost a fair number of individuals this year and want to be sure we are properly remembering our fellow RMAers. 7) The donation of an old laptop computer for use by RMA is requested. Notify RALPH at 203-344-1188.

Having recognized Corresponding Secretary, JERRY SCHWENDEMAN once again, we heard a long golfing joke....or was it a three wishes from a Genie joke. This was followed by more **ANNOUNCEMENTS**:

EULOGY: ERF PORTER gave us all a heartfelt eulogy for EDWARD "TED" BURNS. Ted was raised in Stamford, CT, served in the Korean War, worked in Old Greenwich at Electrolux and several local bakeries. He quietly contributed to the RMA and more visibly to his community as Drum Major of the legendary American Legion Drum Corps of which he was Drum Major for many years. He also volunteered at Greenwich Hospital and served as a volunteer IRS tax preparer. He will be remembered as well for grilling a great hotdog at our RMA picnics and, like so many of us, complaining about his golf.

RETURNEES: BILL CLEWORTH from a Great Lakes Tour; PETER MC SPADDEN from Maine; GEORGE CHELWICK from Ohio (What's round on the ends and hi in the middle...O-HI-O), RANDY MOTLAND from Martha's Vineyard and FRAN AUGER (jokingly) from Greenwich, CT.

For **Golf** -- KURT SCHAFFIR (he switched hats and accents for this report) reported only 18 golfers signed up for a late start and only 5 played. Of that only two braved the heat and finished 18 holes. No scores were provided. ROS CURTIS will host next week when starting times will be about 10:30am.

TODAY'S SPEAKER was **Captain Carl Lahti**, Commanding Officer of the Naval Submarine Base in New London Connecticut. His remarks focused on the significance of the submarine force and the role submarines play in our national defense and security. Using visuals, he described the classes of submarines used by the Navy and how the fleet will change in future years. Captain Lahti's comment also reminded us of the dedication and service provided by men and women who volunteer for submarine duty. Clearly, describing long underwater deployments, screening of personnel, fighting for budget money and knowing that the length of time a submarine hull is serviceable (43 years) all added interest to his remarks. A lively Q&A followed his presentation which will be archived next week on the RMA Website for all to see. (rماغreenwich.org)
