“Greenwich Hospital Update”

Diane Kelly

Noël Appel

This presentation will provide insight into the growth of clinical services at Greenwich Hospital with special emphasis on heart and vascular, behavioral health, oncology, children's and neuroscience. Information will also be shared about the Campaign for Greenwich Hospital, which was publicly launched on Friday, September 22 at the Greenwich Country Club.

Diane P. Kelly was appointed president of Greenwich Hospital in June 2020, after serving as its chief operating officer. Most recently, in 2022, Kelly took on the additional role as chief nurse executive, working with nursing leaders across the YNHHS division of nursing. Prior to joining Greenwich Hospital, Kelly held various clinical and leadership roles at Berkshire Medical Center, culminating in 10 years as its chief operating officer. She holds a doctorate in nurse practice from the University of San Francisco, with an emphasis on executive leadership and population health. A graduate of Western New England College with a master's degree in business administration, Kelly also earned a bachelor's degree in nursing from the University of Massachusetts at Amherst.

Noël Appel is vice president and chief development officer of the Greenwich Hospital Foundation. Before joining Greenwich Hospital in 2018, Appel was vice president, development and alumni relations at The New School in New York City, associate dean of development at the Bouvé College of Health Sciences at Northeastern University in Boston, and assistant vice president of development at

Fairfield University in Fairfield, CT. With more than 20 years of experience in fundraising she works to secure the financial resources the hospital needs to provide advanced and safe medical care to Connecticut and New York residents.

Our speaker on October 25 will be William Tong, Attorney General of Connecticut, on "Recent Multi-State Actions by Attorneys General"
